Cake contest

Last Thursday all SIS students were involved in TET Cake making and speaking presentations about the story of TET. Students in Years 1 to 6 made the Chung Cake and our KIK students were able to experiment with the Day Cake making.

Everyone was participating and the final cake displays were lovely. Our students oral presentations demonstrated their English speaking and understanding which has dramatically improved across the school. WELL DONE STUDENTS!!!!

Parent Teacher Conferences

Thank you to all those parents who attended their child's parent/teacher conference.

Children always do better in school when parents get involved. Attending parent-teacher conferences is one way to be involved and help your child succeed.

A parent-teacher conference is a great opportunity to:

- discuss your child's progress
- share your child's strengths and needs
- work with the teacher to help your child do well in school

Back to School

We are now back to school and well into Term 3. This term, teacher will be focusing on the main areas of content for the Semester 2 exams and continuing to build confidence and

ability in our students. We have all been very impressed with the progress of SIS@HaLong students who sat the SIS system wide exams for the first time in Semester 1.

If we work together and support our students in the classroom and at home, I am confident that Semester 2 will be even more impressive!
