Message from the Principal - Susan Christiansen

Dear Parents, Extended Family and Friends,

This Newsletter will be the last one before the Christmas break. The highlights of this newsletter are the OBV which was a great success and enjoyed by all the year 4 and 5 students. December is the Christmas month and time for the SIS annual Christmas Fair which will be held on Saturday

8th December between 9 and 11am.

There will be activities and items for sale for all age groups and we look forward to seeing you and your family at this special event. The Christmas Fair is a link to the disadvantaged communities of Vietnam where we can give back and show how important it is to do service in the community. The charity to which we will donate all proceeds from the Christmas Fair, is Operation Smile. Operation Smile Vietnam repairs childhood facial deformities while building public and private partnerships that advocate for sustainable healthcare systems for children and families.

Outward Bound Vietnam

Our year 4 and 5 students took part in a 2 day OBV program in November. The feedback from students was overwhelmingly positive. They participated in team building and cooperative skill building activities, slept on the hard floors; laughed and learned at every possible opportunity! I think the overall opinion was that it was a great success and enjoyed by all. Thank you to the OBV team and our teachers who stayed with the students throughout the activities, day and night.

Exam Time

After the Christmas Break our students will sit their International English Exams. Please remember that the best way to prepare is ongoing study, healthy meals, lots of physical activity and a good night's sleep. Exams will take place from 2nd to 10th January.

November Awards

Our School Wide Learner Goals are at the forefront of our mission at SIS and this month our students received awards for demonstrating characteristics of Critical Thinkers-a student who applies rational, higher order thinking skills.

Congratulations to the students below !

Message from Ms. Yen - HOV

Dear valued students and parents,

The 14th week of this school year has finished, the students have made much progress in both studies and virtues. They actively study, join in School's activities, fulfill well all tasks, show good ability and teamwork skill, and enjoy the Explicit Instruction. Especially, Year 6 and Year 7 have shown much creativeness in Stem Education.

In November, the students had activities to celebrate the Vietnamese Teacher Day, such as: "Writing memories about teachers and schools"; "Making painting or tearing/pasting pictures about schools, classes, teachers, and friends"; Joining in performances on 20th November.

Last but not least, the Term End Examination for Vietnamse Program will last from 04 to 07 December. Since the 3rd week of November, the students have been instructed by teachers to prepare for the exam. Thank you for your cooperation to help our students get good results in all activities.

Wish you all good health and happiness!
