PRINCIPAL'S MESSAGE

Dear Parents, Students, & SIS Ha Long Community,

As we approach the end of Term 2 in Semester 1, I want to take a moment to reflect on the incredible journey we have shared this term at Singapore International School @ Ha Long. It has been a period filled with growth, discovery, and achievement, and I am immensely proud of our students, teachers, and the entire school community.

Our students have demonstrated remarkable resilience and enthusiasm in their academic pursuits, blending the rigorous standards of the Cambridge and Singapore curricula with a strong emphasis on STEM, critical thinking, and global awareness. From engaging classroom projects to exciting extracurricular activities, including preparations inspired by our unique location near the breathtaking Ha Long Bay, our learners have embraced opportunities to develop as well-rounded individuals. We have seen outstanding progress in English competency, mathematical problem-solving, and creative expression, all while upholding the Eastern values of respect, community, and perseverance that define our school ethos.

I extend my heartfelt thanks to our dedicated teachers and staff, who continue to go above and beyond to nurture each child's potential. Your commitment ensures that SIS Ha Long remains a vibrant and supportive environment where every student can thrive. To our parents and guardians, thank you for your ongoing partnership and trust. Your involvement and encouragement play a vital role in our students' success.

As we head into the holiday break, I encourage everyone to take time to rest, recharge, and spend quality moments with family. Let us celebrate the accomplishments of this term and look forward to an even brighter Semester 2 ahead.

Wishing you all a joyful and peaceful holiday season filled with warmth and happiness.

Warm regards,

Mr. Mustafa Fazal

Principal Singapore International School @ Ha Long

CHRISTMAS - IT'S THE MOST WONDERFUL TIME OF THE YEAR!

HOS Message:

Dear Parents & Guardians,

As we near the end of SA1 in the SY25-26, I would like to take this opportunity to reflect on what has been a vibrant and rewarding term 2 for our students at Singapore International School Ha Long.

This term, our students have participated in a wide range of enriching activities that have fostered creativity, cultural awareness, and community spirit. Highlights include our exciting Halloween celebrations, International Day where we proudly celebrated the diverse cultures of countries around the world, memorable school excursions that provided valuable real-world learning experiences, and the joyful Christmas Fair held on campus, which brought everyone together in the festive spirit.

In addition, our students have recently completed their End of Semester 1 examinations. These assessments are an important milestone, allowing us to gauge progress and identify areas for growth. We are proud of the effort and dedication shown by all students during this period.

As we look ahead to Semester 2, I encourage every student to build on their achievements by working and studying even harder, aiming for continuous improvement throughout the 2025-2026 school year. With your continued support at home, I am confident that our students will reach new heights in their academic and personal development.

On behalf of the entire academic team, I wish you and your families a restful and joyful holiday season filled with peace and happiness.

Best regards,

Mr. Jayden Almirall

KIK Message:

Dear Parents,

October was an exciting and thrilling month at SIS Halong Kindergarten as our Halloween celebration was filled with scary monsters and ghouls which uprooted the spooky horror ambience at school. The highlight was our adorable and creative costume fashion show, where our 'Little Stars' proudly showcased their imaginative costumes.

The KIK students' enthusiastic movements and bright smiles made the stage come alive, creating a joyful atmosphere for everyone. Certificates were awarded to our talented 'Kinder Wonders' for their outstanding 'Best Costume' and 'Spooky Drawing' competitions, where they displayed impressive imagination and artistic skills.

Moreover, our 'Little learners' participated in a fun-filled catwalk, confidently strutting in their spooky and colorful costumes. They eagerly engaged in various spooky games,

The highlight of the event was our lively Trick-or-Treat parade at the school, where students knocked on classroom doors, giggling and shouting "Trick or Treat!" while collecting candies and sweets. Their cheerful laughter and festive spirit truly spread joy and spooky cheer across the school.

In addition, the Christmas Fair was a resounding success, and we are still basking in the joy and excitement of the event! Our SIS Halong was transformed into a 'Christmas Wonderland', with sparkling lights, colorful decorations, delicious treats and a festive atmosphere that was simply magical.

The energy was palpable as students and parents alike reveled and heightened in the holiday spirit along with the seasonal music. The real treats, however, were the adorable gifts our students won using their special coupons!

Experiencing “A Day as a Navy Warrior”

The “A Day as a Navy Warrior” experience brought SIS Hạ Long students a meaningful day of learning, helping them gain a deeper understanding of military life while fostering discipline and a sense of responsibility. In a serious and disciplined environment, the students directly participated in activities that simulated the duties of a Navy warrior.

Through practicing marching in formation, the students developed quick and agile posture, heightened discipline awareness, and improved teamwork coordination. What started as uneven steps gradually became synchronized, demonstrating the students’ focus and spirit of unity.

In the wound bandaging activity, the students acquired basic first-aid skills and learned how to handle emergency situations, thereby enhancing their ability to protect themselves and assist others. The activity of folding blankets and pillows according to military standards helped the students cultivate carefulness, perseverance, and daily responsibility.

Throughout the experience, the students displayed enthusiasm, seriousness, and initiative. They not only gained practical knowledge but also developed essential skills such as self-discipline, teamwork, listening, and following orders—contributing to building confidence and a positive attitude in both their studies and daily life.
