TERM 1, 2025-26

From the Principal

Welcome to Term 1 of the new academic year! It has been a joyous and meaningful start as we officially opened our school doors to eager learners ready for a year full of discovery, growth, and achievement. The energy and enthusiasm through the campus is truly uplifting as students and staff come together to embark on this new journey.

One of the very special highlights this term was our vibrant celebration of the Mid-Autumn Festival. It was wonderful to see our students and parents actively participating with great excitement in the cultural activities, performances, and traditional mooncake sharing. Such celebrations enrich our school community and deepen our appreciation for value-based education that intertwines Eastern traditions with our international outlook.

Another proud moment this term was the investiture ceremony for our School Student Council and School Librarians. These young leaders stepped forward with a sense of responsibility and commitment to serve their peers and con-

The Lion Dance is always a highlight with the students.

tribute positively to school life. We congratulate them for earning these important roles which reflect their leadership qualities and dedication.

This year we welcome 5 new teachers onto our team. We have Mr. Micheal Aldridge (England), Mr. Marco Engles (South Africa), Ms. Xia Fang (PRC), Mr. Tuan (VNM), and Ms. Hai Anh (VNM).

We are fortunate to have weathered Storm 'Matmo' with only minimal disruption. The storm necessitated a one-day school closure to ensure the safety of our students and staff. Thankfully, unlike last year's Storm Yagi, we did not experience any extensive damage to our school facilities. To compensate for the lost school day, make-up classes will be held on a Saturday, allowing us to meet our academic calendar without compromise. We appreciate everyone's cooperation and resilience during this challenging weather event

Term 1 has truly set the tone for a successful year ahead and I extend my gratitude to our teachers, parents, and students for your ongoing support to make SIS Ha Long a place where every child can thrive academically, socially, and personally.

Mustafa Fazal

TERM 1, 2025-26

From the Deputy Principal

We would like to extend our warmest wishes for health, peace, and heartfelt gratitude for your trust, support, and companionship throughout the past time.

One of the most notable highlights of Term 1 was the achievement of our school's Math Team at the Hong Kong International Mathematical Olympiad (HKIMO) Global Final, held in Hong Kong. With relentless effort, our students proudly made their mark at the international competition this past August. Their outstanding achievements not only affirmed their exceptional intellectual abilities but also demonstrated their breakthrough spirit in conquering the peaks of international mathematics. They proudly brought home prestigious awards, including 2 Gold Medals with 1 First Runner-up Trophy and 5 Perfect Score Trophies in subject categories; 2 Silver Medals; and 1 Bronze Medal.

Alongside the in-person HKIMO in Hong Kong, the HKIMO Online competition was also held in Vietnam. Three of our students participated and achieved excellent results, including 1 Gold Medal, 1 Silver Medal, and 1 Consolation Prize.

These remarkable accomplishments are not only a source of pride for the school but also a great inspiration for the younger generation of math enthusiasts. The journey toward mathematical excellence is still long, but with such a brilliant start, our students are certain to continue shining.

TERM 1, 2025-26

We look forward with great anticipation to their promising future achievements!

In celebration of the Mid-Autumn Festival, on October 3, 2025, Singapore International School joyfully organized the "Full Moon Festival" for our students, filled with exciting and meaningful activities rich in cultural tradition. With enthusiastic support from parents and teachers, our students thoroughly enjoyed vibrant performances, including a spectacular Lion Dance and engaging musical acts. The beautifully decorated Mid-Autumn banquet tables brought immense joy and unforgettable memories for our students alongside their friends and teachers.

The school sincerely thanks all parents for your continued support and cooperation. We look forward to working closely with you in the time ahead. We wish you and your families good health, peace, and happiness.

Sincerely,

Mdm. Nguyen Thi Lieu

From the Head of Studies

I would like to acknowledge the hard work, resilience, and growth shown by our students this term. Remember the guiding idea:

“Dreams without goals are just dreams. And ultimately, they fuel disappointment. On the road to achieving your dreams, you must apply discipline but more importantly, consistency because without commitment you’ll never start, but without consistency, you’ll never finish.”

Let this quote inspire your approach to the coming term.

Looking ahead to Term 2, please focus on steady, disciplined study and consistent effort. Set clear goals in each subject, create a realistic revision schedule, and seek help when you need it. Begin now to prepare for the end-of-semester examinations by practicing exam based question papers, organizing notes, and maintaining a healthy study-life balance—adequate sleep, breaks, and time for physical activity.

Parents can support by establishing regular routines at home, monitoring progress, and maintaining open communication with teachers about any concerns. Students are encouraged to take ownership of their learning, stay curious, and approach challenges with perseverance.

Best wishes for a productive Term 2.

Warm regards,

Mr. Jayden Almirall

Message from Kindergarten Team

We are delighted to share the wonderful experience of our recent Kindergarten Open Day with you. It was a truly magical and joyful occasion that highlighted the vibrant spirit of our little learners. From the moment the children arrived, their bright, eager faces were filled with curiosity and excitement, ready to explore the engaging and colorful environment we prepared for them.

Throughout the day, the children enthusiastically participated in a variety of fun and educational activities designed to spark creativity and foster social skills. Their contagious laughter and radiant smiles filled the rooms as they eagerly engaged in hands-on art projects, lively storytelling sessions, and interactive games. It was heartwarming to witness their confident, friendly interactions with teachers and peers, showcasing their growing independence and teamwork.

The atmosphere was buzzing with positive energy and happiness, creating an inspiring and nurturing space where every child felt valued and encouraged. Parents had the wonderful opportunity to see firsthand how their children joyfully embrace learning in a supportive

"Our Kinder Wonders and Teachers welcomed the Bright Beginnings at our Halong Kindergarten by sharing hearts in unity and love on our Open Day!"

"Our Kinder Stars' inquisitive eyes explored the colorful environment filled with balloons and their eager hands showcased their strong desire to learn and play at our amazing KIK Halong!"

Welcome back!

We deeply appreciate your presence and support during this special day, which strengthens the partnership between home and school. Together, we create a warm and caring community where children can thrive and develop a lifelong love for learning.

As we begin this new academic year at SIS Halong, we are filled with excitement and anticipation. We are dedicated to nurturing your children's talents and curiosity, providing a caring and inspiring environment where they can thrive. We promise to support their growth with quality education, innovative learning, and strong values. Together, we will help shape confident, creative, and compassionate young learners, preparing them for a bright and successful future. Thank you for entrusting us with your precious children on their academic journey with us. We look forward to many more exciting and memorable moments ahead.

Warm regards

Kindergarten Team

"The Kindergarteners spun their vibrant pinwheels and expressed their happiness through joyful laughter and welcomed the bright new academic year!"

Our Kinder Stars' joyous laughter echoed brightly, celebrating exciting playtime in the lively kindergarten hallways! "Welcoming the thrilling, adventurous new academic year filled with exciting surprises ahead!"
