Message from Head of Studies

Dear Parents, Students, and Staff of Singapore International School, Ha Long,

As we draw the curtain on the 2023-2024 academic year, it fills me with immense pride to reflect on the remarkable journey we have undertaken together. This year has been a testament to the resilience, growth, and unwavering spirit of our students, who have not only honed their English skills but also blossomed in confidence and character.

Our school calendar has been brimming with vibrant in-school events, creating a dynamic and enriching environment for our students. From the spooky fun of Halloween celebrations to the engaging activities of our OBV (Outdoor Bound Vietnam) programme, our students have had ample opportunities to learn life skills and develop teamwork outside the classroom. These experiences, along with numerous excursions around the picturesque Ha Long area, have broadened their horizons and enriched their educational journey.

One of the highlights of the year was the spectacular school concert at the end of the term. It was heartening to see our students showcase their talents and hard work, leaving the audience in awe. The concert was a testament to their dedication and the support of our dedicated staff and families.

As we look ahead, we are filled with optimism and excitement. The foundation we have built this year ensures that the future holds even greater promise for our students. With each passing day, they continue to inspire us with their potential and enthusiasm.

As we transition into the summer break, it is essential for our students to take this time to rest, recharge, and reflect. A well-deserved summer holiday awaits, filled with moments of relaxation, joy, and quality time with loved ones. We extend our blessings and best wishes to all our families during this holiday season. May it be a time of relaxation, rejuvenation, and all things good.

Dreams and Aspirations

In the halls of Singapore International School,
Where dreams take flight, where hearts are full,
Each day begins with a spark of light,
A beacon of hope, shining bright.

Students gather with dreams in their eyes,
Reaching for stars, aiming for skies,
With each lesson learned, each challenge faced,
Their aspirations grow, dreams interlaced.

Inspired by teachers, mentors, and peers,
They conquer their doubts, silence their fears,
Every goal achieved, every milestone crossed,
A testament to the dreams they've embossed.

From classrooms to fields, from labs to art,
They carry their dreams, right from the start,
Motivated by passion, driven by grace,
They forge their own path, set their own pace.

As they look to the future, so bright and near,
With dreams as their compass, they have no fear,
For in this school, they've found their wings,
Ready to soar, to do wondrous things.

Dear KIK Parents,

As we bid farewell to another unforgettable academic year, I am filled with immense pride and joy reflecting on the remarkable journey our young learners have embarked upon. From the first day of school to now, it's been an extraordinary expedition of growth, discovery, and boundless fun!

Throughout this final term, our little adventurers delved into a myriad of enriching experiences that truly epitomized learning beyond the confines of the classroom. Our excursion to the Dolphin Park was a highlight, where our intrepid explorers marveled at the wonders of marine life, igniting their curiosity and love for the world around them.

At the excursion to the Dolphin Park was a splashing success! Your little ones were beaming with joy and enthusiasm, fully engaged in the mesmerizing dolphin and sea lion show. Their excitement was contagious!

"The students were captivated by the graceful leaps and flips of the dolphins and sea lions, their eyes sparkling with wonder at each dazzling trick. It was heartwarming to witness their genuine fascination and delight as they cheered and clapped along with the playful creatures."

Engaging in after-school activities has been nothing short of spectacular, witnessing our students' blossom as they dabbled in various creative pursuits, from painting masterpieces to showcasing their talents on stage. The energy and enthusiasm they brought to every endeavor was truly inspiring.

Our KinderKids watched Dolphin and Seal show and enjoyed the taking photos with sea animals.
