Back to School

SIS@Halong opened its doors only one year ago and on the 7th August we welcomed back many returning students and teachers along with many new students.

I am so pleased to be here at SIS@Halong as we have a wonderful school community which is growing. I am fortunate to be able to work closely with the new DPoV, Ms Yen, and all of us together here at SIS@Halong welcome all of you!

Thank you for ensuring your child is in full school uniform. We are all so proud of our students who share an SIS@Halong sense of belonging and pride when they are in their uniform.

Parent Information Session

We held a very successful parent information session on the 23rd August and we thank all the parents who made the effort to visit their child's classroom and become a partner in learning.

Growing School-Learning together

To provide a safe and caring environment at SIS@Halong we work continuously on improving systems in the school for best practices in teaching and learning.

As SIS@Halong grows our staff numbers also increase, and this year we have specialist teachers for PE, Science and Music.

The wonderful playground in the front yard now has a protective cover over it and all our students have been enjoying the area playing together at recess and lunchtime.

Learning together and from each other is a great way to learn!

Our teaching and learning is in full swing and some of it is showcased in this month's photos.

Virtues

SIS@Halong students are now being introduced to our school virtues and I hope your child will come home and talk to you about these virtues, which we all aspire to.

The virtue this past fortnight has been `CARE` and next week we will talk about `RESPONSIBILITY`. SIS virtues help students develop their character along with their soft skills which will enhance decision making in all aspects of their life.

National Day

SIS@Halong wish you and your family a safe and enjoyable National Day!
